

Su-i-[de]cide by Jucqui Lovell

This poem is a tribute to both my maternal and paternal grandmothers who ended their own life.

Su-i-[de]cide

Did either of you
feel like you
had a choice
to live or die
Some describe it
as taking your life
by your own hand
I'm not sure
I see it that way
I imagine your
her-stories
to fill the gap
that was left
in-visible
as you are
I like to think
no feel
we've come
full circle
cos I am here
to know you
and...
I do!
